

BHIC243

68cm Induction + Ceramic 2 Zones Hob

1 x 2.0kW induction zone, Ø 200 mm

1 x 2.0kW ceramic zone, Ø 200 mm

10 level powers
Front touch control operation
Child safety lock
Hob on indicator
Residual heat indicator
Auto pan recognition
With booster function
Timer (upto 8 hours)
Metal case

Technical data

Appliance dimensions in mm (h x w x d): 65 x 680 x 380

Aperture dimensions in mm (w x d): 650 x 350

Total connected load: 4000w

Rated voltage: 220V

Rated frequency: 50Hz

Country of origin

China
