### Technical Data

Appliance dimensions: (h x w x d) 825-850 x 595 x 540 mm

Aperture dimensions: (h x w x d) 850-895 x 600 x 580 mm

Energy efficiency class: A

Washing performance class: A

Spin-drying efficiency class: A

Energy consumption (wash only): 0.9 kW/cycle (230 kWh/annum)

Water consumption (wash only): 64L/cycle

Water consumption (dry only): 60L/cycle

Rated voltage: 220-240V

Rated frequency: 50 Hz

Electrical connection rating: 1900W

Standard water pressure: 0.05 - 1 Mpa

Fuse rating: 13A

Noise level: 54/78/62 dB

### Origin of Country

PRC
